The Honorable
William Colby
Director, Central
Intelligence Agency
Washington, D. C. 20505

Dear Mr. Colby:

Pursuant to a conversation that Richard Gilmore of the Subcommittee on Multinational Corporations' staff had with members of the staff of the Office of Economic Research Grain Division, I am requesting that the Subcommittee have access to the CIA's support memoranda regarding international grain developments. It is my understanding that this material is classified. It is nevertheless relevant to the Subcommittee's own investigation of grain trade and prospects for the United States as the world's principal grain exporter.

I, therefore, would appreciate your prompt response to this request. I suggest that you contact either Jerome Levinson, Counsel of the Subcommittee, or Richard Gilmore directly in this regard.

Sincerely,

Frank Church
Chairman, Subcommittee on
Multinational Corporations
